Job Description

Aureol Global Connections is hiring Fabricators on behalf of Philipstown Engineering Limited, Philipstown, Dunleer, Louth, A92 W208. The successful candidate will be responsible for interpreting technical drawings, measuring and cutting materials, fabricating and assembling metal components, and ensuring all work is completed to a high standard. You should have experience using a range of fabrication tools and equipment, strong attention to detail, and the ability to work accurately and efficiently in a fast-paced environment. Previous experience in metal fabrication, welding, and workshop safety practices is essential, along with the ability to work both independently and as part of a team. A positive attitude, strong work ethic, and commitment to producing quality workmanship are highly valued. 39 hours per week and annual salary of €36,605 - €40000. Interested applicants please send your CV to info@aureolglobalconnections.com
