Concrete Finisher

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Concrete Finisher

About Nurney Plant and Civil

Nurney Plant and Civil Ltd is a well-established civil engineering and plant hire contractor based in Nurney, Co. Carlow. We deliver groundworks, civil engineering and construction projects for clients across Ireland, and our experienced teams take pride in safe, high-quality workmanship. As our workload continues to grow, we are expanding our on-site teams across several major projects.

The Role

We are seeking experienced Concrete Finishers to deliver high-quality concrete finishes across a range of active projects.

Key Responsibilities

Place, level, screed, float and trowel-finish concrete to the required tolerances and surface finishes

Form and finish slabs, foundations, floors, bases, paths and structural elements

Operate power floats, trowels, screeds and other concrete finishing equipment

Set out and check levels to ensure accurate, high-quality results

Cure, protect and make good newly placed concrete

Carry out quality and surface-finish checks and any remedial works required

Work safely alongside groundworkers, pump operators and site management

Essential Requirements

Minimum 3 years' experience as a concrete finisher on construction or civil engineering sites

Valid SOLAS Safe Pass card

Manual Handling certification

Relevant CSCS ticket(s)

Good knowledge of concrete finishes, curing methods and tolerances

Strong attention to detail and a focus on quality

Reliable team player with a strong safety focus

Desirable

Abrasive Wheels training

Experience power floating large industrial floor slabs

Full clean driving licence and own transport

Our Current Projects

Successful candidates will join our teams on a range of major projects currently underway, including:

Newbridge – new school development

Wexford – residential housing development

Celbridge – new industrial unit

What We Offer

Full-time, permanent position

Excellent rates of pay

Ongoing, secure work across multiple long-term projects

Supportive team environment with genuine opportunities for progression

The chance to join a well-established and growing civil engineering and plant hire contractor

How to Apply

To apply, please send your CV along with details of your relevant experience and certification to info@nurneyplantandcivil.com. To find out more about us, visit www.nurneyplantandcivil.com.
