This is a key onsite role during evening hours, ensuring the safety, security and smooth running of school facilities, particularly during sports events and activities.

This role is ideal for a responsible, flexible individual with good practical/DIY skills who enjoys working independently and being a trusted presence onsite.

Duties to include -

Be the onsite point of contact during evening hours (typically 6:30pm–8:30pm on weekdays)

Provide site supervision during sports events and occasional weekend tournaments (including potential 12-hour shifts on Saturdays or Sundays)

Act as a Fire Warden (training/certification required)

Provide basic First Aid assistance in the event of an emergency

Support the safe operation of the building, including training in HVAC systems

Carry out light maintenance and DIY tasks as required

Ensure the premises remain secure, safe and well maintained

Report any incidents, hazards or maintenance issues promptly
