## Building Fabric Technician

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

We are currently seeking a dedicated and dynamic Building Fabric Technician to join our team and play a key role in driving excellence and innovation in Facilities.

#### What you will do

Carry out planned preventative maintenance (PPM) and reactive repairs to building fabric components.

Respond to helpdesk tickets and complete tasks within agreed Service Level Agreements (SLAs).

Perform minor carpentry, plastering, painting, tiling, and general building repairs.

Support statutory compliance activities, including fire door inspections and remedial works.

Assist with office moves, furniture repairs, and installations.

Maintain accurate records of completed work using the CAFM system (e.g., Maximo).

Liaise with other facilities management team members and contractors to ensure seamless service delivery.

Ensure all work is carried out in accordance with health and safety regulations and risk assessments.

Participate in site audits, toolbox talks, and team huddles.

Support continuous improvement initiatives and contribute to service excellence

#### What you will bring

Practical experience of working with safe systems of work and following procedures.

Practical engineering skills, including working knowledge of engineering compliance and engineering standards best practice.

Practical experience of working independently in a technical maintenance environment

Practical experience of working to health and safety standards

IT literate with experience of using Microsoft Office applications and Computerised Maintenance Management Systems.

Ability to self-manage and self-plan workload to meet set deadlines.

Understand Helpdesk procedures and workflow requirements.

Ability to communicate with customers and team members.
