Job Description

Carpenter

Company: Cameron Cornforth Formwork Limited

Location: Dublin, Ireland

Job Type: Full-time, Permanent

Salary: €38,000–€40,000 per annum (depending on experience)

Hours: 39 hours per week

Job Description

Cameron Cornforth Formwork Limited is seeking an experienced and skilled Carpenter to join our growing construction team in Dublin. The successful candidate will be responsible for carrying out a variety of carpentry and formwork duties on residential and commercial construction projects.

Key Responsibilities

Read and interpret technical drawings and construction plans.

Construct, install, and repair wooden structures, frameworks, and formwork systems.

Measure, cut, and assemble timber and other building materials.

Install doors, windows, flooring, partitions, and other carpentry components.

Erect and dismantle formwork for concrete structures.

Ensure all work is completed to a high standard and in compliance with health and safety regulations.

Maintain tools, equipment, and a clean work environment.

Work effectively as part of a construction team and meet project deadlines.

Requirements

Minimum of 3 years' experience as a Carpenter or Formwork Carpenter.

Ability to read and understand construction drawings and specifications.

Good knowledge of construction methods, materials, and health and safety practices.

Relevant trade qualification or equivalent practical experience is desirable.

Strong attention to detail and problem-solving skills.

Ability to work independently and as part of a team.

Good communication skills in English.

Benefits

Competitive salary based on experience.

Full-time permanent position.

Opportunities for career development and training.

Supportive and professional working environment.

Interested candidates should submit their CV and cover letter for consideration.
