## CNC Machinists - Truwood Ltd

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Truwood Ltd is currently seeking to recruit 2 CNC Machinists for full-time work in Drumcondra, Emyvale, Co. Monaghan, H18 K516.

Ideal candidates will be responsible for setting up, operating, and maintaining Computer Numerical Control (CNC) machines to manufacture precision components in accordance with engineering drawings and specifications. The role requires maintaining high standards of quality, safety, and productivity while ensuring efficient machine operation.

#### Key Responsibilities of role:

- Set up and operate CNC machines, including milling, turning, and other machining equipment.
- Read and interpret engineering drawings, blueprints, and technical specifications.
- Program, edit, and adjust CNC machine settings as required.
- Select and install tools, fixtures, and materials for machining operations.
- Monitor machine performance and make necessary adjustments to maintain product quality.

#### Also:

- Maintain tools, equipment, and a clean work area.
- Follow workplace safety regulations and procedures.
- High attention to detail.

#### Other Details

Minimum annual remuneration: €36,605

Standard working week 39 hours
