Steel Fixer

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Michael Kelly Glebe Builders LTD / Glebe Builders with its premises at UNIT 4 TRUMMON EAST TRUMMON WEST LAGHEY, Donegal, F94XF2N, Ireland, requires multiple Steel Fixers for roles on their premises.

The salary range starts from €36,605 to €56,000 based on a 39-hour week. Salary will increase proportionately if additional hours are required. Salary offered shall be based on relevant experience and qualifications.

Job Summary:

We are currently looking for experienced Steel Fixers to join our construction team for ongoing projects across Ireland. The successful candidate will be responsible for cutting, bending, and fixing steel bars and mesh used to reinforce concrete in large-scale construction projects.

Key Responsibilities:

Interpret and work from engineering drawings, plans, and schedules

Cut and shape rebar and mesh using hand and power tools

Tie rebar together with wire, clips, or welding equipment

Position and fix reinforcement bars and mesh to formwork

Install spacers and chairs to ensure correct positioning

Ensure work complies with construction standards and safety regulations

Cooperate with site managers and other trades on-site

Maintain tools and equipment in safe working order

- **Sector:** construction

Career Level

- Experienced [Non-Managerial]
