Job Description

In Fairfield we mainly specialize in dementia care, but we also have a more diverse mix of residents in our care

Our approach is based on:

- Accepting a person's reality;
- Make the person feel they matter;
- Connect and be with people moment by moment;
- Surround our resident with memories;
- Remembering that a person with dementia "CAN STILL FEEL".

Carers are required to care for our residents in a home away from home environment. You need to be a good team player. This is great opportunity to work in a team environment with excellent working conditions.

Benefits:

- On-site parking
- Free Lunch is available
- Paid Breaks
- Flexible working hours

Required:

Applicants need to have or be participating in a QQI level 5 carer's course or equivalent and must have a good level of spoken English as communication is a key part of caring.

Job Type: Full-time

Night shift.

COVID-19 considerations:

All staff take the threat of COVID to our residents very seriously and wear masks all the time while at work (apart from breaks) as well as taking other IPC precautions - training given as part of the induction.
