- Media Planning: Create and present tailored Media Plans to clients, based on a solid understanding of what works for them.
- Media Buying: Manage our offers pipeline, ensuring we negotiate the best terms for our clients.
- Creator Communication: Manage day-to-day communication with creators, ensuring deliverables, timelines, and requirements are clearly understood.
- Tracking & Organisation: Maintain campaign trackers, update documentation, and ensure all information is accurate and current.
- Logistics Management: Ensure you actively monitor deadlines and approvals to avoid any last-minute issues.
