Welder/Fabricator

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Our client is currently looking for dedicated, skilled Metal Fabricators/Welders to join their expanding team to assist in delivering small and large-scale projects in Ireland, the UK and the wider international market.

Successful applicants will enjoy being part of a closely-knit manufacturing team, who pride themselves on delivering the highest quality products to our worldwide customers.

Requirements:

3 years previous experience in the manufacture of Mild Steel or Stainless-Steel fabrications required

High standard of welding experience to a suitable standard in MIG welding

Safe-Pass and Manual Handling desirable, Abrasive Wheel training not essential but preferable

Candidates must work to CE EN1090 criteria

A good understanding of spoken and written English is essential

The ideal candidate must be self-efficient and be able to work unsupervised, on their own initiative, but also be a team player.

Good attendance and time keeping

Upon employment candidates must undergo and pass weld tests

Own car needed for this role

- **Sector:** manufacturing
