About the Role:

CSC Partners is seeking a skilled Accounting Technician to support our finance team in managing the financial affairs of the organization. The successful candidate will work closely with qualified accountants and financial professionals, providing essential technical support in a dynamic business environment.

Key Responsibilities:

- Maintain profit and loss accounts, budgets, cash flow forecasts and other financial accounting records;
- Produce, collate and report accurate financial information to support management decision-making;
- Liaise with clients, suppliers and internal stakeholders to ensure timely payments and adherence to credit limits;
- Verify, process and issue invoices and payments in a timely and accurate manner;
- Monitor accounting systems and processes to ensure compliance and effectiveness, and provide relevant information to auditors and senior accountants.

Essential Requirements:

Professional qualification in Accounting or Finance (e.g., Diploma in Accounting Techniques / Técnico em Contabilidade or equivalent, recognised by a professional body such as Accounting Technicians Ireland (ATI) or international equivalent);

Proven practical experience in financial record-keeping, reporting, and accounts management;

Strong proficiency in accounting software (e.g., Xero, Sage, QuickBooks or similar) and advanced Microsoft Excel;

Excellent organisational skills, high attention to detail, and the ability to work effectively both independently and as part of a team;

Right to work in Ireland (this vacancy is open to EEA candidates. Non-EEA candidates may be considered where a valid Employment Permit is secured).

Desirable: Experience with Irish or EU financial compliance standards.
