Job Description:

About the Company/Role.

A truly unique opportunity to see your career flourish with an innovative and growing company in an exciting market space filled with potential.

FitzMac are an established innovative modular building company based in Limerick delivering state of the art modern pre-fabricated modular buildings from its purpose built production facility. Concentrating predominately on the commercial market but with an emerging focus to expand into the residential area.

FitzMac are committed to being on the leading edge of construction innovation and as such require the very best talent to join the team in this fulfilling work environment. We pledge to invest in our team's development and growth.

Utilising this modern method of producing buildings has allowed us to secured a steady pipeline of projects in this growing sector. It's a great time to join and progress within the business.

Looking for dedicated, forward-thinking Individuals like you who want to take responsibility and develop their career.

At FitzMac our people are our key to success. Join us and we can achieve great things together!
