Pipefitter

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Rockwell Constructions Ltd. t/a Rockwell Engineering requires multiple Pipefitters for their premises at Clogheen Business Park, Blarney Rd, Cork, T23 R960.

The salary range starts from €36,605 to €54,000 based on a 39-hour week. Salary will increase proportionately if additional hours are required. Salary offered shall be based on relevant experience and qualifications.

We are seeking an experienced Pipe Fitter to join our operations team. The successful candidate will be responsible for the installation, assembly, maintenance, and repair of piping systems in accordance with technical drawings, safety regulations, and quality standards. Duties include measuring and cutting pipes, fitting valves and fixtures, testing systems for leaks, and working collaboratively with other trades on site.

Essential Requirements

Proven experience as a Pipe Fitter or in a related mechanical/plumbing role

Ability to read and interpret technical drawings and schematics

Knowledge of pipe systems (e.g. steel, copper, plastic) and fittings

Familiarity with health & safety requirements on construction/industrial sites

Ability to carry out physically demanding work

- **Sector:** manufacturing

Career Level

- Experienced [Non-Managerial]
