Plasterers

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Apollo plastering is currently seeking experienced and reliable Plasterers to join their growing team based in Ballyporeen Co. Tipperary E21TN12.

Responsibilities:

Carry out all aspects of internal and external plastering, including skimming, bonding, float and set, rendering, dry lining, patch repairs, and surface restoration.

Prepare walls and ceilings by cleaning, levelling, and applying bonding agents, then apply suitable finishes such as gypsum plaster, sand and cement render, and decorative coatings.

Inspect damaged areas, determine the required materials and repair methods, and complete wall and ceiling repairs following electrical, plumbing, or refurbishment works.

Work professionally in occupied and unoccupied premises, completing all work safely, on time, to specification, and with minimal disruption to clients.

Maintain accurate work records, report issues to the Site Manager, comply with health and safety requirements, care for tools and equipment, and assist other trades when required.

Key Requirements:

Minimum three years' plastering experience, preferably within facilities management, construction, or maintenance, with strong knowledge of modern and traditional plastering techniques and materials.

Proven ability to produce a high-quality finish across a variety of surfaces, with excellent attention to detail and the ability to read and interpret technical drawings and specifications.

Strong communication skills, with the ability to work effectively with clients, supervisors, and team members, while also working independently with minimal supervision.
