Construction - Civil Engineering - Apprenticeship

Job Description

The Civil Engineering Apprenticeship Programme is a strategic investment in nurturing and developing engineers within Glanua. Due to the success of the programme, we are looking to recruit more apprentices for the September 2026 programme.

Civil Engineering Apprenticeship Programme with ATU Sligo:

3-year programme to achieve a QQI Level 7 Bachelor of Engineering in Civil Engineering.

Online classes every Monday from 9 am to 6 pm.

Monthly in-person labs/workshops in Sligo.

The remaining duration (Tues to Friday) is dedicated to on the job learning in Glanua.

Course includes regular college assignments and exams after Christmas.

Requirements:

Good attitude & willingness to learn.

Flexibility to travel to various site.

Eligibility criteria pass grade in Leaving Cert maths or have QQI level 5 (or equivalent)

For more information please see apprenticeship.ie

Note: As part of the national apprenticeship system, there are formal requirements for approval of an employer's suitability to train apprentices and for registration of apprentices. Advertising on this site does not guarantee that Employers are approved to recruit and train for apprenticeship positions.
