Job Description

Job description of Marketing Representative for Home Care support services in Ireland

The role of a Marketing Representative for Home Care support services in Ireland involves a range of responsibilities aimed at promoting the services and expanding the business. Key responsibilities include generating referrals for home health services, conducting market analysis, developing sales strategies, and supporting business development activities. The ideal candidate should have a bachelor's degree, at least two years of recent sales experience in the healthcare industry, formal sales training, and the ability to develop and implement a sales and marketing plan. Excellent planning, organization, and presentation skills are critical, along with the ability to network in the community readily.

You would be required to achieve specified target.

- **Sector:** administrative and support service activities
