Toolmaker / Fitter Turner

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are currently seeking an experienced Fitter Turner / Toolmaker to join our team. This is an excellent opportunity for a skilled and motivated individual with experience operating both manual and CNC lathes.

Key Responsibilities:

Set up and operate manual and CNC lathes.

Manufacture and repair precision components to engineering drawings.

Perform fitting, assembly, and machining tasks.

Inspect finished components to ensure quality standards are met.

Maintain a safe, clean, and organised work environment.

Requirements:

Proven experience as a Fitter Turner.

Strong experience operating both manual and CNC lathes.

Ability to read and interpret engineering drawings.

Excellent attention to detail and commitment to quality.

Ability to work independently and as part of a team.

Relevant trade qualification preferred.

What We Offer:

Competitive salary based on experience.

Full-time, permanent position.

Opportunity to work with modern equipment.

Supportive and professional working environment.

Career development opportunities.
