Job Description

Prepare, apply, repair, and finish a wide range of plastering systems on internal and external walls, ceilings, and other building surfaces. Install and repair solid plaster, acrylic render, cement render, stucco, and decorative finishes using industry-standard techniques and materials. Perform taping and finishing of plasterboard, skim coating, lath installation, patching, surface preparation, sanding, and texture matching. Measure, mix, and apply plaster compounds to achieve high-quality finishes, ensuring compliance with construction specifications, safety standards, and building regulations. Inspect completed work, repair defects, and carry out related plastering and rendering duties as required.
