Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Kelly Brothers requires multiple Welders for its manufacturing at Bailieborough Road, Virginia, Co. Cavan, A82 DY05, Ireland.

The salary range starts from €36,605 (18.05/hr) to €54,000 (€26.63/hr) based on a 39-hour week. Salary will increase proportionately if additional hours are required. Salary offered shall be based on relevant experience and qualifications.

Description: We are looking for a motivated and experienced Fabricator/Welder to support our manufacturing operations. This role involves fabricating and welding components for our manufacturing and road marking equipment, including truck builds, machinery repairs, and bespoke manufacturing projects. The ideal candidate will be a problem-solver with a strong work ethic and keen attention to detail.

Job Functions: Fabricate components using steel, aluminium and other materials based on the project's needs, perform MIG and TIG welding to high standards, operate machinery such as cutting tools, grinders, forklifts, build and modify road marking vehicles and equipment, modification and new build of manufacturing plant in liquids, powder and performs, carry out repairs and maintenance on equipment to minimise downtime, collaborate with engineering and road marking teams to develop practical solutions, ensure your work and work place meets safety and quality standards.
