Job Description

T&A Civil Engineering & Building Contractors is seeking a motivated and experienced Health & Safety Officer to join our growing team.

This is an excellent opportunity to work with a well-established construction company delivering civil engineering and building projects across Munster.

Key Responsibilities

- Ensure compliance with all Health & Safety legislation and company policies.
- Carry out site inspections, audits, and risk assessments.
- Prepare and maintain Health & Safety documentation and reports.
- Conduct toolbox talks and safety inductions.
- Investigate accidents, incidents, and near misses, implementing corrective actions where required.
- Work closely with site managers and project teams to promote a positive safety culture.
- Monitor subcontractor compliance with Health & Safety requirements.
- Assist in the development and implementation of Health & Safety management systems.

Requirements

- Relevant qualification in Occupational Health & Safety.
- Previous experience in a Health & Safety role within the construction industry.
- Good knowledge of Irish Health & Safety legislation.
- Excellent communication and organisational skills.
- Full clean driving licence.
- Ability to work independently and as part of a team.

What We Offer

- Competitive salary (depending on experience).
- Supportive working environment.
- Company pension scheme.
- Long-term career opportunities with a growing construction company.

If you are committed to maintaining the highest standards of health and safety and would like to join

a dynamic construction team, we would like to hear from you.

To apply, please send your CV and cover letter to info@taplanthire.ie.
