The successful candidate will be responsible for managing workshop personnel, planning and prioritising workloads, maintaining equipment and resources, and ensuring compliance with health, safety, and environmental regulations. You will work closely with operational teams to deliver projects on time and within budget while driving continuous improvement, productivity, and team development. The ideal candidate will have strong technical knowledge, proven leadership experience, excellent organisational skills, and the ability to motivate and develop a high-performing team.. This is a full-time role of 39 hours per week with an annual salary range of €65,000-€75,000.

Interested applicants should send their CV to info@aureolglobalconnections.com.
