Job Description

A Mixed Farm Operative supports the daily operation of a mixed farming enterprise by carrying out livestock, crop, and general farm duties in a safe, efficient, and environmentally responsible manner.

Key Responsibilities:

- Care for livestock, including feeding, watering, bedding, health monitoring, and routine husbandry tasks.

- Assist with handling and moving livestock in accordance with animal welfare standards.

- Support crop production activities such as planting, fertilising, harvesting, and storing crops.

- Operate tractors, machinery, and farm equipment safely and perform basic maintenance.

- Maintain farm buildings, fences, gates, and other infrastructure.

- Monitor livestock, crops, and equipment, reporting any health, welfare, or maintenance issues.

- Follow biosecurity, food safety, environmental, and health and safety procedures.

- Assist with loading, unloading, and storing feed, fertiliser, and farm supplies.

- Work as part of a team to meet daily and seasonal production targets.

Skills and Requirements:

- Ability to work outdoors in all weather conditions and perform physically demanding tasks.

- Good understanding of animal welfare and farm safety.

- Strong teamwork, communication, and organisational skills.

- Ability to follow instructions and sufficient English language skills.

Previous experience in mixed farming, livestock husbandry, crop production, or operating agricultural machinery is desirable.

- **Sector:** agriculture, forestry and fishing
