Our Values - putting our words into action

Values matter. They are key to the success of our Strategic Plan. We centre our behavioural values around the importance of belonging. We recognise that the university will thrive by each of us respecting and caring for one another. We know we can achieve much more through working together. We know too that we must take responsibility for our actions and be accountable. We must, and will never stop, imagining. And through being nature positive we connect not just with the environment but with our ambitions for a sustainable future.

At Trinity, we are committed to equality, diversity, and inclusion. We welcome applications from all individuals, including those with disabilities, those who have followed non-traditional career paths, and those who have taken time out for reasons such as family or caring responsibilities. We also welcome international applicants, including those who have been displaced.
