- Trim, cut, debone, portion, prepare, and process meat products using knives and processing equipment.
- Operate meat processing machinery safely and efficiently following standard operating procedures.
- Weigh, package, label, and prepare meat products for storage and distribution.
- Follow all hygiene procedures, including cleaning and sanitising work areas, equipment, and processing tools.
- Store raw materials and finished products correctly to maintain product quality and food safety.
- Identify and report equipment faults, maintenance issues, product defects, or food safety concerns to supervisors.
- Work collaboratively with colleagues to achieve daily production targets and operational objectives.
- Follow all company health and safety policies, including the correct use of personal protective equipment (PPE) and safe manual handling techniques.

Qualifications and Experience

- Previous experience in meat processing, food manufacturing, or a similar production environment is essential
- Prior experience working in an abattoir/slaughterhouse environment is a distinct advantage but

not strictly mandatory.

- English fluency is required for this role.

Remuneration is €32,691 per annum based on 39 hours per week

A minimum of 1 -3 years' experience in a similar role essential.
