Toolmaking - Apprenticeship

Job Description

First Year Apprentice Vacancy

Toolmaking Apprenticeship Opportunity

Are you practical, detail-oriented, and interested in building a rewarding career in engineering and advanced manufacturing?

We are seeking a motivated individual to join our team as a Toolmaking Apprentice. You will gain hands-on experience while working alongside skilled toolmakers and completing a recognised apprenticeship qualification.

You will learn to:

Manufacture, assemble, and repair precision tools and components

Operate CNC and conventional machinery

Read technical drawings and use precision measuring equipment

Apply safe, accurate working practices

Diagnose problems and develop practical solutions

We are looking for someone who:

Has a genuine interest in engineering and manufacturing

Enjoys practical, hands-on work

Demonstrates strong attention to detail

Is reliable, enthusiastic, and willing to learn

Works well independently and as part of a team

What we offer:

Structured training and mentoring

A recognised qualification

Valuable industry experience

Competitive apprentice pay

Excellent long-term career opportunities

Start your career in toolmaking with us.

To apply, send your CV and a short cover letter to info@cm-precision.ie
