Job Description

Aureol Global Connections is hiring Welders/Fabricators on behalf of Killarney Precision Engineering Limited trading as O'Carroll Engineering, Tiernaboul Industrial Estate, Killarney, Co. Kerry, V93 PH3K. The successful candidate will be responsible for carrying out high-quality welding and fabrication work on a variety of metal components, ensuring all work is completed to specification and the highest safety standards. You will be expected to read and interpret engineering drawings, prepare materials, operate welding equipment, and inspect completed welds for quality and accuracy. The ideal candidate will have previous experience with MIG, TIG, or MMA welding, a strong eye for detail, and the ability to work both independently and as part of a team. A commitment to maintaining a safe and organised working environment is essential. In return, we offer competitive pay, ongoing training and development opportunities, 39 hours per week and annual salary of €36,605 - €40,000. Interested applicants please send your CV to info@aureolglobalconnections.com
