Dairy Farm Assistant

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are currently looking for dairy farm assistant who will be responsible for to support daily dairy farm operations to maintain herd health, ensure high-quality milk production, and help run a safe, efficient, and sustainable farm.

Core responsibilities

- Milking and herd care: Assist with twice-daily milking; monitor cows for signs of illness or injury.
- Feeding and bedding: Prepare and distribute feed; maintain clean, dry bedding.
- Calf rearing: Assist with feeding, health checks, and record-keeping for calves.
- Health and hygiene: Administer basic treatments under supervision; follow biosecurity and hygiene protocols.
- Equipment and yard maintenance: Clean and maintain milking parlour, yards, and basic farm machinery.
- Record keeping: Log milk yields, treatments, and daily tasks accurately.

Required skills and attributes

- Experience: Previous farm or animal-care experience preferred; training provided for the right candidate.
- Physical fitness: Able to lift, walk, and work outdoors in all weather.
- Reliability: Punctual, able to work early mornings, evenings, and occasional weekends.
- Teamwork: Good communicator and willing to follow instructions.
- Animal welfare focus: Respectful, calm, and attentive around livestock.
- Driver's license: Desirable but not essential.

Please apply with CV and Cover letter.
