Groundworker & Plumber

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are hiring an experienced Groundworker + Plumber to support residential extensions, attic conversions, and modular home installations. This hybrid role is ideal for someone confident with foundations, drainage, pipework, and utility connections.

Key Responsibilities

Groundworks — site prep, levelling, trenching, compacting

Foundations — pouring, shuttering, concrete base preparation

Drainage — installing and connecting waste lines, stormwater channels

Plumbing — hot/cold feeds, pipe routing, bathroom/kitchen connections

Utility connections for kitchens, bathrooms, and external services

Working alongside carpenters, electricians, and blocklayers on extension builds

Requirements

4–6 years experience in groundworks and plumbing

knowledge of domestic drainage & pipework

Ability to read site drawings

Safe Pass required

- **Sector:** construction

Career Level

- Professional
