Sound Engineer- Dublin South FM

Application Details

Eligibility to participate on CE is generally linked to those who are 21 years or over and in receipt of a qualifying social welfare payment for 1 year or more or 18 years and over for certain disadvantaged groups. Your eligibility will have to be verified by the Department.

To register your interest you can contact an Employment Personal Advisor (EPA) in your local Intreo Centre.

Applicants should supply suitable character references and be prepared to complete a Garda vetting application form.

Job Description

Duties

This is a developmental opportunity, no experience necessary. Accredited training will be provided to support your career.

Duties and Responsibilities

Live on Air and Outside Broadcasting

- Studio duty – the sound engineer will undertake studio duty shifts where they are responsible for the broadcast output of the station during these shifts. Including lining up pre-recorded material, engineering live programming, and studio cleanliness.
- Volunteers – to assist Near FM volunteers in producing and promoting programming including engineering, editing, and podcasting
- Overnight – to edit, schedule, and pre-load Near FM's night-time programming
- Archive – to archive previously broadcast content for the Near Archive website
- Podcast – to podcast content for the Near Podcast
- Liaise with the radio manager, outreach officer, promotion staff, presenter, producer, and studio duty person in the preparation of the OB event.
