Drain Inspectors

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Our client, Tank Pipe and Drain Longford Limited t/a Glancy Enviro, based in Clonterm, Co. Longford, is currently seeking Drain Inspectors for immediate start at their facility in Co. Longford.

Key Responsibilities & Duties:

- Inspect and assess drainage systems, pipework, and septic tanks to identify blockages, defects, and structural issues.
- Carry out CCTV drain surveys and use diagnostic equipment to evaluate the condition and performance of drainage networks.
- Record and classify defects, obstructions, and root ingress, and recommend appropriate repair or maintenance actions.
- Support drain cleaning, jetting, and repair operations, ensuring inspections are completed before and after works.
- Produce accurate reports and condition assessments for customers, supervisors, and management.
- Assist in planning and executing routine maintenance and emergency response activities.
- Ensure compliance with all health, safety, and environmental regulations and company procedures.
- Liaise with plumbers, engineers, and other team members to coordinate work efficiently and deliver excellent customer service.

Requirements:

- Candidates must have the requisite experience and knowledge to perform all job duties listed above

- Minimum of 2 years' experience in drainage inspection, plumbing maintenance, or a related field.
- Proficiency in using CCTV inspection systems and related reporting software.
- Good understanding of drainage systems, pipework layouts, and maintenance techniques.
- Ability to identify drainage faults and recommend suitable repair methods.
- Comfortable working in confined spaces and outdoors in various weather conditions.
- Excellent attention to detail, communication, and reporting skills.
- Ability to work independently and as part of a small, responsive team
- Relevant certification for plumbing/drainage inspection is highly desirable

Annual Remuneration: €36,605.00; Pay Rate €18.05 per hour

Work Location: Tank Pipe and Drain Longford Limited t/a Glancy Enviro, Clonterm, Longford, Co. Longford, N39 H6T0.

Number of hours work each week: 39
