Heavy Vehicle Mechanic

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

M50 Truck & Van Centre require a qualified vehicle Mechanic to join our team at our Mercedes-Benz, Fuso and Daimler Bus Workshop in North Dublin.

The role is based in a busy workshop, it is technical and administrative and would suit a technician who is self-motivated, organized, intuitive with strong mechanical skills and the ability to work as part of a team. You would be working closely with a technical team responsible for the day-to-day maintenance of vans, trucks, and buses.

The role will include the following main responsibilities as well as other tasks:

Must be a certified mechanic and be able to conduct mechanical repairs and inspections.

Preparing job-cards and liaising with the service manager and workshop managers

Ensure all repair work is carried out to a high standard.

Liaising with the M50 service, CVRT and parts departments where required.

Record all repairs carried out and record all documentation required for warranty.

The ideal candidate should be:

Computer literate ideally with vehicle repair and diagnostic experience.

Customer focused, professional, courteous and organized.

Enthusiastic with a 'can do' attitude to their work.

Be a certified mechanic or equivalent qualification with experience and references

Hours and Salary:

Flexibility on working hours pattern, can be discussed at interview.

OT will be necessary from time to time

Salary is dependent on experience, and discussed at interview.
