In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Traffic Planner

Virginia International Logistics is seeking a proactive Traffic Planner to join our busy operations team. The role involves planning driver workloads, coordinating national and international routes, and ensuring efficient, safe, and compliant transport operations across Ireland, the UK, and Europe.

Salary: Commensurate with experience

Key Duties

Plan and assign daily workloads, communicating schedules clearly to drivers

Manage delivery times and route planning across Ireland, UK & Europe

Operate and update our in-house system, MoveIT

Assist with scheduling vehicles for maintenance and service checks

Work independently and as part of a team in a fast-paced environment

Support management with ad-hoc operational tasks as require

Essential Skills & Experience

Minimum 2 years' experience in a similar transport or logistics role

Strong IT skills, ideally with experience using operational systems (MoveIT advantageous)

Excellent communication and organisational skills

Ability to work calmly under pressure and adapt to changing demands

Strong attention to detail and problem-solving ability

Knowledge of the haulage/logistics sector

Desirable

Qualification in logistics or related discipline

Knowledge of Irish, UK & European networks

Understanding of import/export processes and transport regulations

Awareness of EU Working Time and Tachograph regulations

If you are organised, detail-focused, and passionate about logistics, we'd be delighted to hear from you.

Apply today to advance your career in a growing transport operation.

- **Sector:** transportation and storage
