Security Installer

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Everest Tech Limited is seeking a skilled professional to join our team as a security systems installer.

We welcome applications from qualified electronics engineers, experienced fire and security technicians, or individuals with strong related skills.

The successful candidate will be responsible for the maintenance and servicing of CCTV, intruder alarms, access control systems, and fire alarms, while working confidently with both AC and DC systems and electrical transmission projects.

You must be familiar with health and safety requirements in Ireland, hard-working, and fully capable of making independent technical decisions on-site.

To be considered for this position, you must have at least two years of relevant experience in a similar role, a full clean drivers license (EU/EEA), and suitable professional references and certificates.

The working hours are Monday to Friday with a minimum of 40 hours per week, and you must be available for occasional out-of-hours call-outs.

The salary for this position is €36,605 per annum. Please send your CV and details to info@everesttech.ie.
