Employer: Avara Landscapes Ltd

Location: Unit 8 Block D Monksland Business Park Athlone Co Roscommon Eircode: N37 X3H9

Contract: Full-time, Permanent

Hours: 39 hours per week

Salary: €36,605 per annum

Vacancies: 1

Avara Landscapes Ltd, one of Ireland's leading landscape contractors specialising in high-quality hard and soft landscaping works across Leinster, Munster and Connacht, is seeking a skilled Maintenance Supervisor to oversee the maintenance, repair and safety of machinery and equipment.

Key Responsibilities:

- Supervise the maintenance and repair of CNC machinery, precision saws, welding equipment, presses, and electrical systems used in window and door manufacturing.
- Ensure all equipment meets required safety standards, including Safe Pass and relevant Irish health & safety regulations (e.g., ESB standards).
- Conduct regular inspections and coordinate emergency repairs to minimise downtime.
- Train and oversee staff in safe equipment handling and maintenance practices.
- Maintain accurate records of maintenance schedules and safety compliance.

Essential Skills and Qualifications:

- More than 2 years of experience in machinery maintenance, preferably in manufacturing, construction, or the windows and doors industry.
- Irish-recognised certifications: Safe Pass, Manual Handling, and ESB Induction (or equivalent).

- Strong knowledge of Irish health and safety regulations.
- Proven ability to lead a small team and effectively manage maintenance operations in a fast-paced production or site environment.

Desirable Skills:

- Previous experience as a supervisor or team leader in a manufacturing or technical trade environment.
- Full clean driving licence (preferably Category B, C1 or C for van and light truck use).
- Experience working with CNC machines, saws, welding equipment, or fabrication machinery used in the windows and doors industry.
- Additional health & safety qualifications (e.g., First Aid, IOSH, or equivalent).
