About the Company

Clonakilty Car Centre is a professional automotive services company based in Clonakilty, Co. Cork, specialising in used car sales, car servicing, valeting, body repairs and accessories.

We are committed to delivering high-quality workmanship and excellent customer service, providing a complete range of motoring services across the Cork area.

We are currently seeking a skilled Vehicle Paint Technician to join our growing team. The successful candidate will perform a variety of tasks related to automotive refinishing, including body repairs, paintwork and related vehicle enhancement services.

Main Responsibilities

Apply paint protection films, window tinting films, and vinyl wraps with precision and attention to detail.

Perform minor paint repairs and surface correction to restore vehicle appearance and finish quality.

Prepare and clean vehicle surfaces prior to application or repainting.

Mix and match paint colours to achieve exact shade consistency.

Operate spray guns and related equipment for small-scale refinishing.

Ensure that all work meets the company's quality, safety, and environmental standards.

Maintain workshop tools, spraying equipment, and protective materials in clean working order.

Candidate Profile

Minimum 2 years' experience as a Vehicle Paint Technician, Automotive Refinisher, or Wrapper.

Experience with vinyl wrapping, paint correction, or tinting preferred.

Knowledge of automotive paint systems, surface preparation, and application techniques.

Good eye for colour accuracy and surface finish.

Ability to work independently or as part of a small, high-performing team.

Strong commitment to quality workmanship, safety, and customer satisfaction.

Must be available to work on-site in Limerick for 39 hours per week.

Benefits

Competitive annual salary of €36,605 for 39 hours per week.

Opportunity to work with an established automotive enhancement specialist.

Supportive and professional work environment.

Ongoing training in advanced tinting, wrapping, and paint correction techniques.
