Logistics Associate Apprenticeship

Job Description

Company: Geodis Ireland

Location: Unit 1, Elm Rd, Dublin Airport Logistics Park, Co. Dublin, K67 N237

Geodis Ireland are delighted to once more partake in the Logistics Associate Apprenticeship Programme for September 2026.

We believe this programme will provide important benefits both for candidates and for our company – matching the opportunity for a hands-on, “learn as you earn” apprenticeship and education opportunity with finding the best people to come aboard and help us meet the future needs of our business in Ireland.

As a company we are guided by our 7 Principles of leadership and our 7 Golden rules one of which is to ‘Recruit, Develop and Retain Quality People’.

Our commitment to this programme is an opportunity for you to grow your career in one of the leading global supply chain companies and recognised by IIP (Investors in People Accreditation). You will be joining a company with a local entrepreneurial environment in addition to its global network, training platforms and opportunities at hand from the group.

We are looking for passionate and innovative candidates who enjoy learning and contributing their ideas to their team and the workplace.

Application contact:

If you meet the criteria of the LAA programme (visit <https://www.laa.ie/apprentice> for more information) please contact with your CV and cover letter to:

- petra.oconnell@geodis.com - HR Business Partner

Start Date: In line with dates of the LAA Programme dates.

Learning Outcome:

While in College (TU Dublin) one day a week, we will support the programme’s “learn as you earn” approach.

To support the learning outcomes expected of your employment with us, we will look to place you between one or more of the following business areas:

- * • Air Freight
- * • Ocean Freight

- * • Road Freight
- * • Customs
- * • Warehouse & Contact Logistics

You will have a mentor assigned who will work with you on a personalised individual training plan to put some of the knowledge learned on your course into practice.

Examples of Responsibilities include

- Work with our partners to fulfil ecommerce orders from around the world.
- Liaise with airlines, hauliers, brokerage and operations teams globally.
- Reporting on delivery performance and exceptions such as loss, damage or delays.
- Data entry and job processing onto our TMS (Transport Management System)
- Booking, updating and invoicing jobs.
- Working closely with both internal and external colleagues to support the business.
- Ensuring exceptional customer service, with an emphasis on proactive communication.
- Communicating with customers daily both by email and phone.
- Assisting with or completing quotation of freight rates.
- Import and Export Customs formalities & declarations.
- Managing shipments of temperature controlled and/or hazardous goods.
- Update track & trace milestone
- Complete & report on internal and external performance & compliance metrics.

For more information please see [apprenticeship.ie](https://www.apprenticeship.ie)

Note: As part of the national apprenticeship system, there are formal requirements for approval of an employer's suitability to train apprentices and for registration of apprentices. Advertising on this site does not guarantee that Employers are approved to recruit and train for apprenticeship positions.
