Concrete Pump Operator - Hudson Brothers Limited

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Hudson Brothers Limited are currently seeking to recruit 2 Concrete Pump Operators for full-time work at New Paddocks, Blessington, Co. Wicklow, W91 CH68.

The successful candidates will be based at the quarry facility and will operate concrete pumping equipment as part of the company's quarry operations.

Responsibilities

- Set up, operate and shut down concrete pumping equipment safely.
- Position pipelines, hoses and associated pumping equipment.
- Carry out daily equipment inspections and report any defects or maintenance requirements.
- Monitor pump operation, pressure and blockages.
- Carry out routine cleaning and basic maintenance of pumping equipment.
- Liaise with quarry personnel to ensure safe and efficient operations.
- Complete relevant plant inspection and operational records.
- Comply with all quarry health and safety procedures.

Remuneration: €38,532 per annum based on a 39-hour week.

Training in English language skills and company operating procedures will be provided.

Suitable accommodation will be made available.
