General Construction Operative

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Looking for a reliable general construction operative to work with me on the assembly and construction of light steel frame (LSF) homes.

Duties will include assembling pre-cut steel frames, fixing boards and insulation, fitting cladding, roofing and general construction work.

Experience in construction preferred. Must be comfortable using drills, impact drivers, levels and general power tools.

LSF experience is not required — training will be provided.

Good rate depending on experience.

- **Sector:** construction
