Risk Trader

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

The Risk Trader will be responsible for the trading and risk management of all our horse & greyhound racing content for all Flutter UK&I facing brands. The successful candidate will also be tasked with providing an industry leading antepost, specials and extra market offering for our greyhound racing product. They will be responsible for the horse racing risk management tasks and the day to day running of the greyhound desk.

What you will be doing:

Risk Management

To effectively analyse bet information to drive pricing accuracy

To relay risk information in real time to the horse racing traders

You will also be required to conduct retrospective risk reports and post trading analysis

Customer Management

To effectively manage our customer base and tailor the product offering to the needs of our customers

You will be required to manage customer level risk and liabilities including bet clearance

Greyhound Proposition

To price all domestic UK&I greyhound races daily and ensure we have a compelling proposition in the marketplace for all our brands

To offer industry leading specials and extra markets to drive customer engagement

To keep up to date on antepost competitions and industry developments

Effective Communication

To work within the high paced trading environment and effectively react to and communicate real time risk information

You will be required work within the wider racing team liaising on risk management decisions and wider racing projects

Technical Skills

Strong Microsoft office user particularly Excel and Powerpoint.

Excellent presentation skills.

Strong report-writing skills, with a keen eye for detail.

What We're Looking For...

Skills & Experience Required:

Customer focused – thinks about customers 24/7

Effective collaborator – works with others within the team and the wider organisation, whilst communicating effectively across a range of channels and audiences

Ability to work at pace and on own initiative

Makes quality decisions – makes confident decisions under pressure, which fundamentally drive results and high levels of customer satisfaction.

Highest levels of integrity

Drives results

We're working to be an inclusive employer, and we encourage people from all backgrounds, ways of thinking and working to apply. Everyone brings different perspectives and experiences; you don't have to meet all the requirements listed to apply for this role.

If you need any adjustments to make this role work for you let us know, and we'll see how we can accommodate them.
