Sheet Metal Workers

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Our client, Fox Bros. Engineering Limited, based in Gorey, Co. Wexford, is currently seeking Sheet Metal Workers for immediate start for their facility in Ballycanew, Gorey, Co. Wexford.

Qualifications:

A minimum of 3 years' sheet metal working experience in a previous role is required. There are no minimum academic requirements. Welding certification is preferred but is not essential.

General Duties / Responsibilities / Experience:

- To use sheet metal to construct roofs, ducts for heating, ventilation and air conditioning, gutters and other metal structures
- To read plans and determine the type and amount of materials to be used
- To measure, bend, cut, shape and attach pieces of sheet metal to create the required structure
- To use thin metal sheets to fabricate, install, and maintain various products and system
- To use blueprints and technical drawings to measure, cut, shape, and join metal sheets using methods like welding, soldering, or riveting
- To contribute to projects such as ductwork, roofing, siding, and other sheet metal components
- To follow safety protocols while working with heavy metal sheets and using tools and equipment
- Essential knowledge includes metal joining technologies, metal thermal conductivity, rivet types and metal types
- Essential skills include aligning components, applying arc welding techniques, and applying spot welding techniques

- Further essential skills include clipping sheet metal objects together, operation of handheld riveting equipment, interpretation of 2D & 3D plans, and tending metal sawing machine
- Candidates must be competent to apply construction health & safety procedures, inspect construction supplies and follow health & safety while working at heights
- Candidates must have experience in using metalworking tools, using sheet metal sheers, and recognising signs of corrosion
- Candidates must have 3 years' of relevant experience as a Sheet Metal Worker in a previous role
- Welding certification preferred but not required

Annual Remuneration: €36,605.00; Pay rate €18.05 per hour

Work Location: Fox Bros. Engineering Limited, Ballycanew, Gorey. Co. Wexford

Number of hours work each week: 39
