Plant Fitter

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are seeking a skilled and experienced HGV/Plant fitter. You will be responsible for the service, repair, and maintenance of HGV & Plant machinery, including diagnosing and repairing hydraulic systems.

Duties include:

Diagnose and repair mechanical and hydraulic faults.

Maintain, repair and troubleshoot hydraulic systems, including cylinders, pumps, valves, pipes and control units. Use diagnostic equipment and hand tools to ensure vehicles are working correctly.

Maintain accurate records of work carried out and parts uses.

Skills and Qualifications

Proven experience as mechanical fitter with specific experience with hydraulics.

Good knowledge of hydraulic systems.

Strong attention to detail and commitment to safety,

Ability to work independently and as part of a team.

Good work attitude and interest required.

Pay negotiable.
