- * Strong understanding of electrical installation practices and health & safety requirements
- * Ability to work independently and as part of a team
- * Excellent attitude, reliability and strong work ethic

General Operatives

We are also recruiting **General Operatives to work alongside and support our electrical teams.**

Duties will include:

- * Assisting electricians with installation works
- * Moving and organising materials
- * Preparing materials and equipment for installation
- * Maintaining clean and organised work areas
- * General project duties as required

Previous **construction, electrical or manufacturing experience** would be an advantage.

Own basic hand tools and transport are required.

General Requirements

- * Safe Pass (preferred)
- * Manual Handling (preferred)
- * IPAF certification (advantageous but not essential)
- * Ability to work independently and as part of a team
- * Excellent attitude, reliability and strong work ethic
- * Must be **currently living in Limerick or the surrounding area**

What We Offer

- * Competitive hourly rates
- * Long-term opportunity on a high-profile project
- * Bi-weekly pay
- * Supportive team environment
- * Opportunities for ongoing work on future projects

Please note: These positions are open only to candidates who are currently living in Limerick or the surrounding area.

If you're a Qualified Electrician or General Operative looking to join a professional team on one of Ireland's leading construction projects, we'd love to hear from you.
