Job Description

Ecospec Limited is a specialist provider of insulation, ventilation, and energy efficiency solutions, delivering high quality residential, commercial, and public sector projects nationwide. With a strong reputation for professionalism, technical expertise, and customer service, Ecospec helps clients create more energy efficient, sustainable, and comfortable buildings. Our experienced team is committed to delivering projects safely, efficiently, and to the highest standards.

We are seeking an experienced Site Manager to join our growing team in County Meath. This is an excellent opportunity for a motivated and hands on professional with experience in construction, retrofit, insulation, ventilation, or building services projects. If you have strong leadership skills, a commitment to quality and safety, and enjoy delivering projects successfully from start to finish, we would love to hear from you.

Key Responsibilities

- Manage day to day site operations and project delivery.
- Coordinate site teams, subcontractors, suppliers, and deliveries.
- Ensure projects are completed safely, on time, and within budget.
- Monitor quality standards and ensure compliance with Health & Safety requirements.
- Review drawings and specifications and resolve site related issues.
- Maintain site records and provide regular progress updates.
- Liaise with clients, management, and project stakeholders.

Requirements

- Proven experience as a Site Manager, Foreman, or similar construction role.
- Strong leadership, communication, and organisational skills.
- Ability to read and interpret construction drawings and specifications.
- Experience managing subcontractors and multiple site activities.

Good IT skills, including Microsoft Office.

Full clean driving licence preferred.

Health & Safety awareness with a strong commitment to quality workmanship.

What We Offer

Competitive salary based on experience.

Performance related bonus opportunities.

Long-term career progression within a growing company.

Ongoing training and professional development.

Supportive team environment.

Pension scheme available.
