Job Description

Allfresh Wholesale Ltd at Little Island, Co.Cork is looking for 2 computer numerical control operative.

The ideal candidate will have a passion for the job and a drive to learn and grow within the field.

Key Responsibilities & Duties

The main duties will be responsible for processing the vegetable products at our factory by using the computer numerical machines for slice, shred and segment leafy vegetables. The employee has to place the vegetables onto an input conveyor belt. The operative will be following a production schedule as set out by the production manager and will be tasked with monitoring machinery, inspecting finished products and observing any rejects. These machines will also be used for packaging the finished products. The employee will also need to understand where the products are at all stages during this time in case it gets broken down

Qualifications and Experience

Minimum of 2 years of experience in a previous role.

A team player

Good communication skills.

Annual Remuneration: €36,606.00

Pay rate: € 18.05 per hour

Number of hours work each week: 39

Work Location: unit 11, Sitecast Industrial Estate, Little Island, Cork
