Plasterer

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Burren Precast Concrete (Irl) Limited, trading as Carlow Concrete, is seeking 2 skilled Plasterers to join its team in Co. Carlow.

Main duties will include preparing surfaces for plastering and finishing; mixing and applying plaster, render and cement-based finishing materials; applying smooth and textured finishes to walls, surfaces and concrete structures; finishing and repairing precast concrete surfaces; filling and repairing cracks, joints and surface imperfections; levelling, smoothing and finishing surfaces to the required standard; measuring and preparing materials; reading and working from drawings and instructions; using and maintaining relevant hand and power tools; maintaining work areas; and carrying out associated plastering and concrete-finishing duties safely and efficiently.

Applicants must have relevant practical experience as a Plasterer and be capable of carrying out the duties of the role to a high professional standard.

This is a permanent full-time position, 39 hours per week, with an annual salary of €36,605.
