Skilled Fabricators (MIG Welding)

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We're Hiring Skilled Fabricators (MIG Welding) at Ward and Burke Ltd.

Ward and Burke Ltd operate across Ireland, the UK and North America. We are committed to delivering sustainable and resilient infrastructure, embedding climate considerations from early design through construction and long-term operation. Our approach is aligned with industry best practice and supported by our adoption of the Science Based Targets initiative (SBTi) Net-Zero Standard, ensuring our decarbonisation pathway remains credible, measurable and science-led.

Employer: Ward and Burke Ltd.

Location: Gannon's Yard, Keeloges, Creggs Co Galway F42 D434

Key Responsibilities:

- High quality MIG welding: Perform precise, clean, structurally sound welds to industry standards.
- Independent workmanship: Deliver consistent results with minimal supervision while maintaining productivity.
- Fabrication drawing interpretation: Read, understand, and work accurately from technical drawings and fabrication plans.
- Safety commitment: Follow all safety protocols, maintain a tidy work area, and use PPE correctly.
- Accuracy and attention to detail: Ensure measurements, weld placement, and final finishes meet exact specifications.
- Quality workmanship: Uphold high standards in every stage of fabrication, from preparation to final inspection.

Minimum Annual Remuneration & Benefits:

- Salary €38,500. This is a full-time, fixed-term contract for 2 years with a possibility of extension
- Overtime paid at rate of time and a half.
- Ongoing, long-term work tied to major Ireland & UK construction projects
- Opportunity for progression

- A professional, safety-driven working environment

Hours of Work:

- 39-hours week; Monday- Thursday 9 am- 6 pm; Friday: 9am to 5pm.

One hour's lunchbreak each day

Required Skills & Qualifications:

- Qualified Mig Welding: Relevant Mig Welding qualification or strong equivalent experience
- Attention to detail: Ensuring all work meets safety and compliance requirements.
- Teamwork & communication; ability to work on your own and part of teams.

Apply Now ! If you're a skilled MIG fabricator who takes pride in top-quality work and wants to contribute to large, high-profile projects.
