Job Description

Wonderfoods Unlimited Company T/A Donnelly Fresh Foods

IDA Business & Technology Park, Snugborough Road, Blanchardstown, Dublin 15, D15 NY91

Job Description & Skills Required

Wonderfoods Unlimited Company T/A Donnelly Fresh Foods is seeking 1 Quality Assurance Officer to support the Quality Department in maintaining the highest standards of food safety, quality assurance, and regulatory compliance within a BRC-certified fresh food manufacturing environment.

Main Duties Include:

- Monitor and maintain compliance with BRC, HACCP, GMP, Bord Bia, and food safety standards throughout production.
- Review, update, and maintain product specifications, quality documentation, and traceability records.
- Conduct internal quality audits and assist in the implementation of corrective and preventive actions.
- Inspect and approve incoming raw materials and finished products against required specifications.
- Monitor production processes to ensure compliance with quality, hygiene, and food safety procedures.
- Investigate quality issues, identify root causes, and support continuous improvement initiatives.
- Support staff training in food safety, quality procedures, and Good Manufacturing Practices.
- Maintain accurate quality records and assist with regulatory inspections and customer audits.
- Work closely with production and management teams to ensure products consistently meet customer and regulatory requirements.
- Ensure compliance with all relevant food legislation and company quality management systems.

Essential Requirements

- A minimum of a Level 7 qualification (Ordinary Bachelor's Degree) in Food Science or an equivalent

field.

-Experience in a Quality Assurance role within a food manufacturing or similar business is essential.

-Excellent organisational, analytical and problem-solving skills.

-Strong communication and report-writing abilities.

-Proficiency in Microsoft Office applications, including Excel, Word and Outlook.

-Ability to work independently and collaboratively within a fast-paced manufacturing environment.

Training Provided

Food Standards Auditing.

HACCP Introduction or HACCP Implementation & Verification.

Other training courses relevant to the role.
