Metal Fabricator / Workshop Operative – Navan, Co. Meath

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are looking for an experienced Metal Fabricator / Workshop Operative with a minimum of two years' relevant fabrication experience to join our team. The successful candidate should have practical experience working with materials such as aluminium, steel, copper and lead, and be comfortable carrying out general fabrication and workshop duties.

The role involves the manufacture and fabrication of bespoke metal products, together with general workshop and yard duties. We are looking for someone reliable, practical and detail-focused who takes pride in producing high-quality work.

Key Responsibilities & Requirements:

Manufacture and fabricate bespoke products using aluminium, lead, steel and copper

Operate workshop machinery including press brake, folding machine and guillotine

Read and work from drawings, measurements and work instructions

Assist with packing and preparation of materials

Maintain clean and organised workshop, yard, shelving and storage areas

Carry out general workshop and ad hoc yard duties as required

Minimum 2 years' relevant fabrication experience

Good attention to detail and commitment to quality workmanship

Valid Safe Pass

Valid Manual Handling certificate

Forklift licence would be an advantage but is not essential

Willingness to learn and develop additional skills

Hours: 8:00 a.m. – 5:00 p.m.

Job Type: Full-time
