Sexual Health Policy & Research Officer

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

GOSHH Ireland CLG requires a Sexual Health Policy & Research Officer to join the team in Limerick. You will analyse regional STI trends and public health data to design evidence-based sexual health interventions and target high-risk communities. You will also co-author national public health frameworks and represent GOSHH on statutory working groups, HSE sub-committees and national panels to align regional strategy with national policy. You will manage and audit public health data for statutory reporting and support the clinical testing team with data and outreach. The annual salary is €37,492 based on 35 hours per week.

- **Sector:** human health and social work activities
