Horticultural Employee

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Fmc Nurseries Limited seeking 2 Horticultural Employees for the premises located at Rathcanning, Dungourney, Co. Cork, P25 PC96

Main Duties:

Propagate, plant, cultivate and maintain a variety of nursery plants, trees, shrubs and other horticultural products.

Prepare soil, planting beds, containers and growing areas for propagation and plant production.

Water, fertilise, prune, weed and monitor plants to ensure healthy growth and development.

Carry out routine maintenance of plants and trees intended for sale in the nursery.

Identify and control pests, diseases and weeds using appropriate horticultural methods and products.

Pot, label, grade and prepare plants for display, storage and sale.

Operate and maintain horticultural equipment, tools and machinery in a safe manner.

Assist with harvesting, packaging and transportation of nursery stock when required.

Monitor environmental conditions in growing areas, including irrigation, temperature and ventilation systems.

Maintain cleanliness and organisation of nursery facilities, greenhouses and outdoor growing areas.

Follow company procedures relating to health and safety, biosecurity and environmental management.

Assist customers with plant selection and provide basic plant care advice when required.

Work as part of a team to achieve nursery production targets and quality standards.
